PROJECTS

Stuff road

05/2022 - 08/2022 | Bandra, Mumbai
https://www.stuffroad.com/home

Its an ecommerce website i worked on my internship. where i was the head of designing team

- Managed groups of 6 for the frontend part
- Designed the most pages for the websites using angular
- Created mockups for the website layout and design.
- Designed user interface elements such as buttons, forms, menus, and navigation bars.
- Implemented front-end features to improve user experience.

World-wise

12/2023 - 02/2024 | Mumbai
https://github.com/umeshpandey241/world-wise-app\

World Wise is an interactive app that lets you mark the countries you've visited and document your travel experiences. Share your beautiful memories, write about the unique moments you've cherished in each country. Create a personal travel diary and explore your journey across the globe, one country at a time.

- Designed using React and Redux
- View a list of cities and their loactions on map
- Click on a city marker to see detailed information about the city
